

AUTOMATE YOUR ACCOUNTS PAYABLE PROCESS

Data Forge P2P, powered by Yooz, is an all-in-one accounts payable automation solution. So, powerful AP automation is now easy and accessible to all businesses.

SIMPLICITY

Do you think accounts payable automation is too complex to implement? Think again: set up easily and use quickly.

SAVINGS

Would you like to reduce your processing time and costs by 80%? Do more with less!

SPEED

Does your accounts payable process takes weeks? Use your invoices to cut cycle time and get discounts.

TRACEABILITY

Are you spending countless hours searching for lost documents? Gain instant visibility and stop wasting time.

SECURITY

Do you want to detect fraud and comply with regulations for your stored documents? Secure your documents in the cloud.

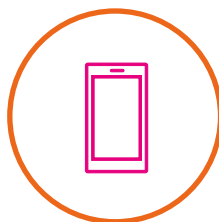

ALL-IN-ONE

Are you considering multiple solutions to streamline your P2P process? Automate each step, from purchase to pay.

PLUG AND PLAY

Do you think that it is complicated to integrate with your system? Connect seamlessly with over 200 ERP's.

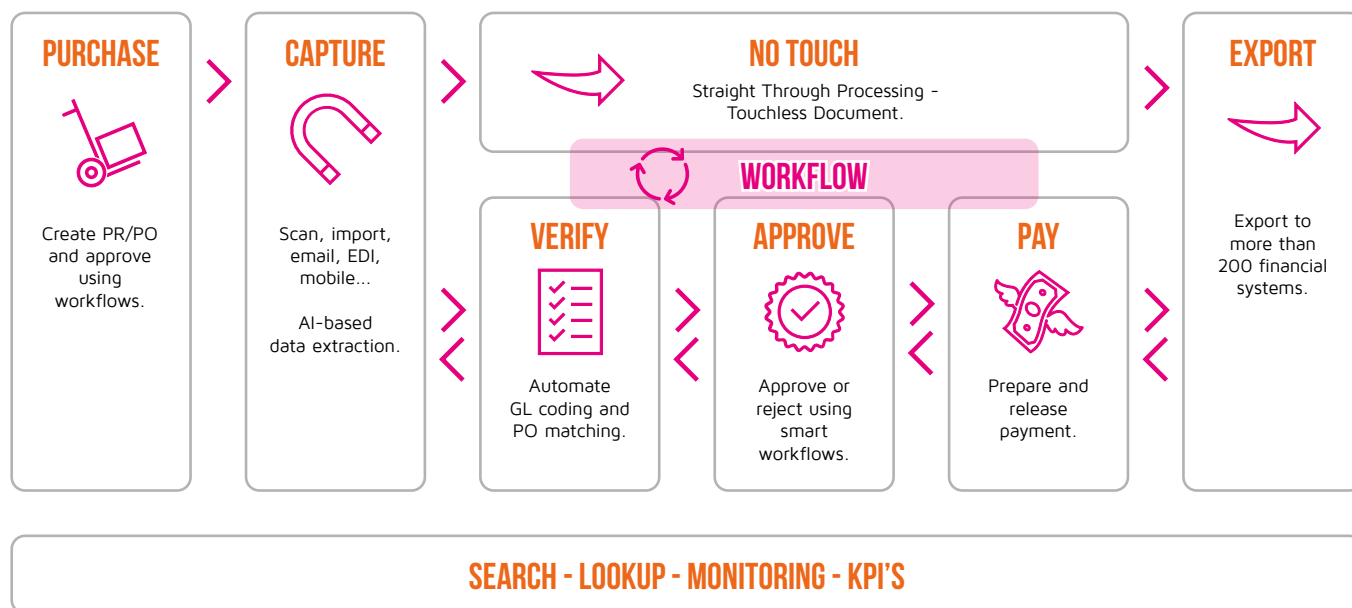

MOBILITY

Do you need to be in your office to approve invoices? Be mobile and use the platform anywhere, anytime.

WHAT OUR 200,000 USERS CAN TELL YOU

Data Forge P2P, powered by Yooz, meets all of the needs of a modern and efficient finance department: mobility, simplicity, flexibility and security. Even with its sophisticated technologies, it is extremely easy to use and set up, allowing you to be up and running in no time. **Powerful AP automation is finally easy and accessible to all!**

A SINGLE SOLUTION FOR MANAGING THE ENTIRE ACCOUNTS PAYABLE PROCESS, FROM PURCHASE ORDER TO SUPPLIER'S INVOICE APPROVAL

1: AUTOMATE YOUR PURCHASING PROCESS

- Create purchase requests.
- Automate workflow processes.
- Generate purchase orders automatically.
- Manage goods receipting.
- Monitor your budget.

3: ELECTRONIC ARCHIVING AND AUTOMATIC FILING OF ALL DOCUMENTS

- Electronic management of all types of documents: invoices, orders, deliveries, human resources, legal, or technical documents, etc.
- Full text indexing of all documents.
- Automatic filing within dynamic electronic folders.

2: AUTOMATE YOUR ACCOUNTS PAYABLE PROCESS

- Omni-channel capture (email, post mail, supplier portal): invoices, credit memos, orders, delivery slips...
- Smart technologies for recognising and analysing data without any prior configuration. Over 80% of all invoices automated.
- Approval workflow management of invoices and payments and issuance of digital vouchers to pay.
- Data export to the accounting software or ERP.

A SOLUTION RECOGNISED BY INDUSTRY EXPERTS

JOIN OUR 3,000 CLIENTS AND 200,000 USERS

Using an all-in-one solution for managing the entire P2P process.

HERE'S THE FEATURES OUR CUSTOMERS LOVE:

"Our processing time was cut from weeks to days" • "We appreciate the ability to process AP documents from anywhere, anytime" • "We stopped losing documents and paying duplicate invoices" • "The perfect tool for friction-free relationships with suppliers" • "We gained complete strategic visibility on business spending" • "We can now easily comply to regulations and we are protected from invoice fraud attempts"

"2 hours of set-up was enough to adapt the solution to our needs. Data Forge, powered by Yooz, is a solution that was very easy and fast to set up; in 15 days we were fully operational!"

Maxime Nicolas, Controller
NOVOTEL

"The solution has positively impacted our spending, as we have doubled staff productivity, reduced the number of human errors and increased visibility."

Jake Newman, Finance Manager
HEWITSONS

"We've all heard the saying 'Time is money.' Entering an invoice used to take about five minutes. Now it's 15 seconds or less."

Patsy Price, Director of Operations
PETERSON AUTO GROUP
